

Improvers' Lessons at QCBC

Saturdays 27 July to 17 August, 10am to 12 noon, \$10 per lesson.

We'll have a standby player so anyone who wants to stay on and play the afternoon session is welcome, with or without a partner.

These are aimed at people who are already at the level of playing in the main room, and need a recap of what they may have forgotten from lessons, or a few more pointers to help to win more often.
