- Which suit do you want partner to switch to?
- Whether you like high or low encourage we'll cater for you

30th Nov: Cue-Bidding the Opponent's Suit

Two situations where bidding the opposition suit can help you

1) If partner bids 1S and you bid 3S, wouldn't you like partner to know:

- Are you trying to reach game?
- Are you just trying to get in the opponents' way?

Now we'll have a way to tell which it is

2) If the opponents have bid a suit and you are trying to get to NT:

- You can't cover their suit, would you like to know if partner can?
