

Seeking players interested in improving their bridge. Specifically designed guidance sessions on topics chosen by you will be offered for interested parties.

Get together a group (at least two tables 4 partners), choose a topic, and come to the session once it has been prepared.

At the moment sessions planned for Wednesday afternoons at QCBC but other times could be negotiated. Session would include notes discussion and play.

The sessions would be \$15 per person and facilitated by Janeen Solomon.

Please advise Toni of any expressions of interest. The session topic and dates will be advertised if there are any other partnerships interested in joining.
