

Dear Bridge Improver

Richard Fox and I coordinate a once-a-month mentoring session for bridge improvers. We have a group of expert and supportive bridge players who volunteer to mentor bridge improvers. It is usually held on the first Wednesday of the month from 7-9 pm (this time the 2nd Wednesday, 8th March). Cost is \$10.

Richard and I have just undertaken a review to identify people who might be interested in the session.

- Some of you are already attending but we have not had your name on the mailing list. So this email is a courtesy email to ensure you get on the standard mailing list and also to invite you to next Wednesday's session.
- Some of you have not been involved in the sessions previously. If you are interested and want to be on the mailing list please let me know. If you are not interested and want to be removed from the mailing list, please let know too.
- A couple of you have been attending 'help with play' sessions and possibly are due to enter the club sessions potentially supported by this monthly mentor session. Whether you are a little daunted but agree that it's time, or you think you are not ready yet, can you please let me know so I can adjust the lists accordingly.

A little more about the sessions:

- Usually in groups of 3 or 4 with a mentor.
- We play a random set of boards.
- No scoring, so there's plenty of opportunity to discuss your bidding and play
- You are encouraged to nominate aspects of your play where you are seeking to improve. Of course, the mentors will also observe aspects of your play and give you friendly feedback.
- No need to bring a partner. However, if your partner and you are trying to develop your game together it makes sense to play together.

Can you please let me know whether or not you wish to be invited? Can you also RSVP if you wish to attend the session next Wednesday evening?

Happy bridging
